

New Handy Strapping Starter Kits

- The economical, fast, and easy way to make the switch from expensive steel strapping to the more cost effective, safe alternative, Polypropylene or Polyester strapping.
- Economy kit applications include:
 - Light duty skidding or palletizing
 - Small corrugated carton closure
 - Bundling & unitizing small packages
- Heavy Duty kit applications include:
 - Heavy loads on skids or pallets
 - Lumber
 - Metals
- All prices are delivered
- Kits are shipped via UPS (lower 48 states)
