- Polychem Fully Automatic B2000 Battery Tool (video)
- Polychem B300 Battery Tool (Video)
- Polychem PC 206/306 Table Top Strapping Machines and (Video)

After months of field testing, the following Polychem products are NOW READY FOR SALE

**FULLY AUTOMATIC BATTERY POWER TOOL**

**PULLS UP TO 2000 lbs of TENSION**

**B2000**

For 1" & 1 1/4" Polyester Strap .031 to .055 thick (optional 3/4" strap guide)

**TESTIMONIAL:**  
From a Midwest distributor:  
"We left the Polychem B2000 with one of our customers who already has four similar competitors' tools to try out for one week; Immediately they liked the superior balance and improved ergonomics of the Polychem tool. The B2000 produced stronger, more robust seals and achieved 150 more cycles per battery charge. They will be placing an order soon."

**GREAT VALUE BATTERY POWER TOOL**

**PULLS UP TO 300 lbs of TENSION**

**B300**

For 1/2" to 5/8" .020 to .030 Polyester and Polypropylene Strap

**TESTIMONIAL:**  
From a Southern distributor:  
"For this quality tool at this great value price, why would anyone want to mess around with manual tools and metal seals?"
