POLYCHEM INTRODUCES

The PC2000CX

The PC2000CX is a fully automatic high speed stainless steel strapping machine designed for the harsh environments associated in the Poultry, Fish, and Meat Protein Markets and is capable of up to 65 straps per minute. Production bottle necks are virtually eliminated with this high rate of throughput. The PC2000CX is made from 304 stainless steel (side seal model is also available).

304
Stainless
Steel

- Reliable-Fast-Easy to Use
- Dual Cylinder Press
- Variable Speed Belt Conveyor
