**From our Family to Yours, Wishing You a Safe and Joyous Holiday Season!**

**IN THIS ISSUE: PACK EXPO 2016 Wrap Up:**

- Polychem Pack Expo Exhibit
- Featured Products and Programs
- New Full-Line and Specialty Catalogs

Polychem returns from another successful PACK EXPO SHOW in Chicago and would like to thank all of our customers that made the show a huge success! Again, we tried something new and exciting to communicate our strategic "Shipability" theme by constructing a full size Tractor Trailer Truck out of aluminum framing and printed fabric.

Inside the structure were a Private Meeting Office and an area for our customers to relax while having refreshments. For those who didn't make it to the show, below are some photographs of inside and outside our Booth.
