UP TO
60
STRAPS PER MINUTE!

- *Full Feature Machine with a Basic Price*
- *User Friendly Design/Full Colored Touch Screen Controls*
- *Servo Technology Provides Ultimate Reliability*
- *One Piece Track*

PC PRO *Automatic Strapping Machine*

The PC PRO Automatic Strapping Machine incorporates the latest servo motor technology that provides the ultimate in reliablity. This technology also greatly reduces moving parts and maintenance. These features coupled with Polychem's XL strap coils add up to a lower overall cost of ownership verses other strapping systems.
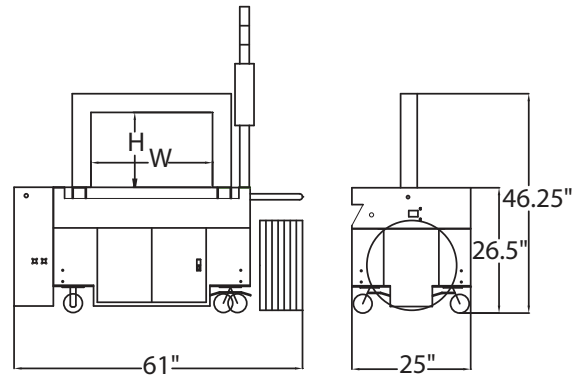

The **PC PRO** is a full featured machine with a basic machine price. The multi color touchscreen controls with diagnostics and four tier LED status light provide an informative, user friendly design. The quick adjust casters and variable speed conveyor allow for a quick and easy installation.
